

Commencing for the 2009 season

BC HOUSEBOAT RESERVATION POLICY

July & August are in extremely high demand for all owners and we wish to create a fairness for all members. **

We are implementing a 1 in 2 year (Annual ownership) or 1 in 4 year (Biennial ownership) booking policy for the weeks ranging from Week 26 to Week 34 (July & August).

- **Annual:** If you enjoyed a week of houseboating in one of these weeks (as listed above) in 2008, you will not be eligible again until 2010. You will be able to enter your name for the lottery for all of the remaining weeks in 2009.
- **Biennial:** The same rules apply as listed above, other than the 1st year eligible will be 2012 for Even year usage (if you received a week in 2008) and 2011 for Odd usage (if you receive a week in 2007). Again you may enter your name for all other remaining weeks in your usage year, Odd or Even.

We will be implementing a Lottery system as outlined below:

1. Members can call **any** day during the week that they are interested in Monday through Friday commencing on Monday June 30, 2008 and ending the week of and including Monday, August 25, 2008.
2. These names will **ONLY** be received by actual phone call during the normal business hours of 8:00 AM to 4:30 PM MST (we are closed over noon) to the Customer Service department in Calgary. (**Emails and phone messages will not be accepted**).
3. The draw will close at noon every Friday and will be held on the Friday afternoon of each week. Only the owners drawn will be notified that afternoon to inform them of the results.
4. **To confirm the reservation all Maintenance fees and Surcharge (presently at \$732.90) must be paid in full.**
5. Any requested holds will be for 48 hours **ONLY**. At that time another owner will be offered the booking.

We appreciate everyone's understanding and cooperation with this new Policy.

GLRC Canada Board of Directors

*** Holiday High owners who paid the premium price to secure usage in July & August will be exempt from this new Reservation policy, however bookings are still first come first served and the full payment of Maintenance fees and Surcharge to secure reservations are still required.*
